

Conversational Killer

RANT

To spew your negative opinion in a one sided manner without awareness of the impact.

Conversational Killer

RED HERRING

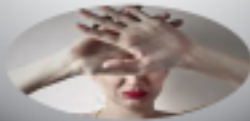

To lay a false scent so that the conversation's intention is missed.

Conversational Killer

SHAMING

To have the intention to cause another to feel shame.

Conversational Killer

SPACED OUT

To be up in space and not in touch with a grounded reality.

Conversational Killer

YANK THE CHAIN

To give the illusion of desiring to reach an agreement but having no intention to do so.

Conversational Killer

UNDER THE INFLUENCE

To be intoxicated with alcohol or drugs to such a point that it harms the interaction.
