

Conversational Killer

## POWER STRUGGLE

To play out hidden shadow patterns and miss the real point of the conversation.

Conversational Killer

## VIBE KILL

To talk overly loud and unconsciously in a place where people are just chillin' out.

Conversational Killer

## WET BLANKET

To be so depressing and to bring up topics that are so dull that you kill the vibe.

Conversational Killer

## GHOSTING

To leave the conversation without letting anyone know that you are you going.

Conversational Killer

## SELF ABSORPTION

To be so consumed with your own self that you have no consideration of the other.

Conversational Killer

## SQUAWKING

To kill the beauty of a musical moment by being the only individual(s) speaking in the soundscape.
